We would like to recommend this comfortable and friendly B&B accommodation. It is ideal for anyone wishing to visit central Portugal for either a holiday or for property viewing. Perfect for either short or long stays and self catering arrangements can also be requested if required.

Casa Lavanda is located in the village of Venda Nova, approximately 3km from the market town of Vila Nova de Poiares within the Beiras region of Portugal. The university city of Coimbra is only a 30 minute drive away, or travel by bus (bus station located in Vila Nova de Poiares).

Set amongst lush green forests, in a stunningly dramatic area of Central Portugal, with its woodland, valleys and gorges and picturesque rivers, all set within the foothills of the Serra de Estrela national park.

Casa Lavanda offers clean and comfortable Bed & Breakfast accommodation with excellent food available (made with fresh local produce & home grown produce, when available) and facilities are now also available for guests who wish to self-cater.
